

ATG-3

DECLARATION

We, Peter A. Burton and Dror Segal, declare
that we are citizens of the United States of America,
5 residing and having post office addresses at 71-26 Juno
Street, Forest Hills, New York and 98 Riverside Avenue,
New York, New York;

that we verily believe ourselves to be the
original, first and joint inventors of the invention or
10 discovery in:

METHODS AND APPARATUS FOR ON-LINE ORDERING

which is described and claimed in the attached
specification, and for which a patent is sought;

that we have reviewed and do understand the
15 content of said specification, including the claims,
and acknowledge our duty to disclose to the United
States Patent and Trademark Office information known by
us to be material to patentability as defined in
Title 37, Code of Federal Regulations, § 1.56;

20 that we do not know and do not believe that this
invention or discovery was ever known or used in the
United States of America before our invention or
discovery thereof, or patented or described in any

printed publication in any country before our invention
or discovery thereof, or more than one year prior to
this application; or in public use or on sale in the
United States of America more than one year prior to
5 this application; that this invention or discovery has
not been patented or made the subject of an inventor's
certificate issued before the date of this application
in any country foreign to the United States of America
on an application filed by us or our legal
10 representatives or assigns more than twelve months
prior to this application; and that no application for
patent or inventor's certificate on this invention or
discovery has been filed in any country foreign to the
United States of America by us or our legal
15 representatives or assigns;

and we hereby claim the benefit under Title 35,
United States Code, § 119(e), of United States
Provisional Patent Application No. 60/191,359, filed
March 22, 2000; United States Provisional Patent
20 Application No. 60/191,205, filed March 22, 2000;
United States Provisional Patent Application
No. 60/245,503, filed November 3, 2000; United States
Provisional Patent Application No. 60/245,826, filed
November 3, 2000; and [P.A. Burton] United States
25 provisional application entitled SYSTEMS AND METHODS
FOR USING CODES TO IDENTIFY OR GROUP ORDERS, filed
January 2, 2001, Attorney Docket No. ATG-6 PROV2.

Wherefore, we pray that Letters Patent be
granted to us for the invention or discovery described
and claimed in the attached specification and claims,
and we hereby subscribe our names to the foregoing
5 specification and claims, and declaration.

We declare, further, that we understand the
English language and that all statements made herein of
our own knowledge are true, and that all statements
made on information and belief are believed to be true;
10 and, further, that these statements were made with the
knowledge that willful false statements and the like so
made are punishable by fine or imprisonment, or both,
under Section 1001 of Title 18 of the United States
Code and that such willful false statements may
15 jeopardize the validity of the application or any
patent issuing thereon.
